

Dial Calipers

No. 52-008-005

No. 52-008-007

Fowler Calipers combine microfine graduations, the protection of a covered rack and the accuracy of a hardened stainless steel rack.

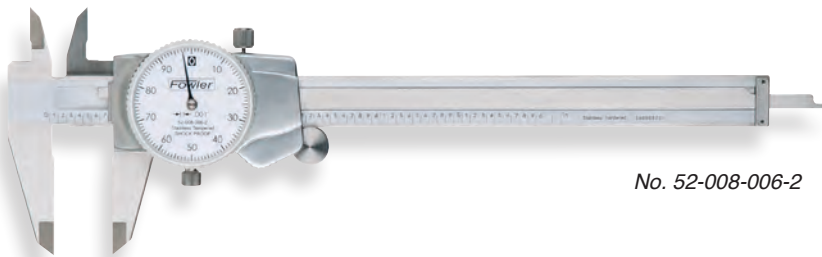

Features:

- Thumbroll for rapid setting.
- Beam graduations: .100"
- Four-way jaw for outside, inside, depth and step measurements.
- Hardened stainless steel throughout with measuring faces precision ground and microlapped for exceptional accuracy.
- Knurled lock assures precise settings.
- Adjustable dial.
- Scale surface is satin chrome finished to prevent glare, reduces operator fatigue; microfine graduations read in inches.
- Includes case.
